Mr. LUETKEMEYER. Mr. Speaker, I rise today to ask my colleagues to join me in congratulating the Centralia High School Lady Panthers Softball team for winning the Class 3 Missouri State Championship on October 22, 2011.

The young women and their coaches should be commended for all their hard work throughout the regular season and for bringing home the state softball championship to their school and community. HONORING DAVID BRIGGS AND NORBERT PUTNAM

HON. MARSHA BLACKBURN

OF TENNESSEE

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 27, 2011

Mrs. BLACKBURN. Mr. Speaker, musical genius is commonplace in Middle Tennessee. From songwriters to executive producers, the notables of Nashville are known the world over for their dedication to the perfect sound. I rise today to honor two pillars of Music City as they receive the Cecil Scaife Visionary Award and are recognized for their contribution to Tennessee's legendary sound.

David Briggs excels at more than the ivory keys. Dedicated to great and beautiful music, Briggs moved to Nashville and worked on over 200 number one hits. Playing keyboard for Elvis, Kris Kristofferson, Reba McEntire, Dolly Parton, and many more of the greats, Briggs has decades of success as both a musician and an executive of Quadrofonic Sound Studio.

Together with Briggs, Norbert Putnam was part of the original Muscle Shoals Recording Section at Fame Recording Studios. From opening for the Beatles in their first American concert, to becoming one of Nashville's most successful pop-rock bassists, to currently his place as one of the top pop/rock producers in

Music City with Quadrofonic Sound, Putnam too has a storied devotion to Tennessee music.

The greatness of Music City is only as strong as the next generation of billboard leaders. I appreciate David Briggs and Norbert Putnam for their contributions to our great music legacy. I also appreciate the hard work and support of those who established and continue the Cecil Scaife Business Scholarship. Your devotion to those who pioneer the way for future music legends helps to strengthen Music City. I rise today to honor two industry leaders whose drive and dedication to offer their experiences to tomorrow's musicians, publishers, composers, and arrangers. I ask my colleagues to rise and join with me in celebrating David Briggs and Norbert Putnam as they receive the Cecil Scaife Visionary Award and continue to offer their experience and wisdom to those who seek the next great note.

HONORING NATIONAL BREAST CANCER AWARENESS MONTH

HON. MICHAEL G. FITZPATRICK

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 27, 2011

Mr. FITZPATRICK. Mr. Speaker, I rise today in honor of National Breast Cancer Awareness Month. For those of you who do not know, October is Breast Cancer Awareness Month. Founded in 1985, this is an annual campaign by various breast cancer organizations to increase awareness of the disease. Part of the awareness includes educating the public about early detection, the cause, diagnosis, treatment, and support for survivors.

Not long ago, I survived my fight with cancer, and since then, I have made it a top priority to help others overcome this terrible disease. Along with Congresswoman BETTY SUTTON, I introduced the Breast Cancer Recovery Improvement Act (H.R. 2510) to provide critical medical devices to women recovering from post-mastectomy breast cancer surgery.

The American people have become much more aware of this deadly disease. Today, on the 25th anniversary, I'd like to thank all of the people who have been involved with National Breast Cancer Awareness Month. Be it wearing a pink ribbon to pledge your support, or giving a donation for cancer research, it all plays an important part in promoting the message, so that way we can finally find a cure for this disease.

RECOGNIZING MADONNA UNIVERSITY

HON. THADDEUS G. McCOTTER

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 27, 2011

Mr. McCOTTER. Mr. Speaker, today I rise to recognize Madonna University, located in my hometown of Livonia, Michigan, upon the 75th anniversary of the school's founding by the Felician Sisters.

In 1937, the Felician Sisters established Presentation Blessed Virgin Mary Junior College on what had been sprawling farmland. As a teaching college with a staff of 18 Sisters committed to providing higher education to area Catholic schools, the school grew to include service-oriented majors such as nursing, hospice, sign language and criminal justice.

After 10 years of rapid growth, Presentation Blessed Virgin Mary College expanded to a baccalaureate institution and was renamed Madonna College. In 1965, the main Academic Building and Residence Hall were dedicated. Madonna launched its first master's program in 1982, and in 1984 dedicated a new library and Kresge Hall. Madonna became a University in 1991 and currently offers more than 50 undergraduate majors toward associate and bachelor degrees as well as 22 masters programs in clinical psychology, business, criminal justice, education, history and health professions. The year 2009 brought the University's first doctoral program in nursing
